

# A DIFFERENT POINT OF VIEW

**A Different Point of View** is a non-profit charitable organization. We offer a unique relationship, confidence and skill building program to our community. Our offerings are the first of its kind in our region. We have learned, regardless of one's income, educational or personality temperament, learning how to pilot an aircraft does a mind, body and soul good. In order to ensure services are available to all, we have developed a friendly sliding fee scale that will enable us to cover costs and keep us up in the air.

<b>Annual Income</b>	<b>Fee</b>
<b>Below \$60,000</b>	<b>\$ 50</b>
<b>\$61,000 - \$72,000</b>	<b>\$ 175</b>
<b>\$73,000 - \$85,000</b>	<b>\$ 350</b>
<b>\$86,000- \$98,000</b>	<b>\$ 700</b>
<b>\$99,000 - \$115,000</b>	<b>\$1000</b>

\*Our mission is to engage, inspire and transform youth using flight lessons as a launching pad! Our Aviation Career Program offers students 3 days of professional flight instruction in a Cessna 172 along with self awareness and leadership training. Students interact with airline pilots, flight attendants, air traffic controllers, aircraft mechanics, airport operators, airport patrol and aircraft rescue and fire fighters. Workshops are given in aircraft maintenance and air traffic communications. This program is for youth ages 14-19. Scholarships are available for those who qualify.
